

Moving From...Moving To

BBSI 2007

Moving From

- ◆ We have come a long way, learned a great deal and provided some incredible opportunities for students!

We can Always be better....

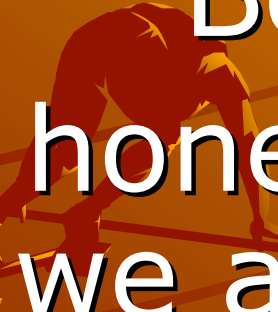

But How?

How? ... We Can:

- ◆ Learn from others
- ◆ Seek out current research
- ◆ Try some action research of our own

Before this we must
honestly reflect on where
we are and where we want
to go!

Moving From...Moving To

The handout is dividing into 4 areas:

- ◆ Infrastructure: Physical Environment and Support for Videoconferencing (page 1-7)
- ◆ Professional Development for Technology Enhanced Learning Environments (page 7 and 8)
- ◆ *The Videoconferencing Learning Environment (page 9-12)*
- ◆ Educational Reform that Involves the Community (page 13)

The Videoconferencing Learning Environment (page 9-12)

Six Areas:

- ◆ Technology Integration
- ◆ Learning with Videoconferencing
- ◆ Interaction
- ◆ Collaboration
- ◆ Student Learning
- ◆ Learning Community

Get To Work...

- ✦ At your table look at the first three areas
- ✦ Share your experience at your school and/or within your jurisdiction
 - What stage are you at?
 - Where would you like to be?
 - How are you going to get there?
- ✦ Be prepared to share 😊

Keep Working!!!

- ✦ At your table look at the last three areas
- ✦ Share your experience at your school and/or within your jurisdiction
 - What stage are you at?
 - Where would you like to be?
 - How are you going to get there?
- ✦ Be prepared to share 😊

There is Hard Work Ahead
Be the change that you
want to see in
the world.

Mohandas Gandhi
